1. This supplemental Notice of Allowability is being remailed in response to applicant's status request of 7/15/08 as the original Notice of Allowability of 9/15/05 was apparently mailed without an accompanying Notice of Allowance and Fees Due. Note that although applicant did submit an authorization to charge the issue and publication fees, the Office never charged these fees to applicant's account. Therefore, applicant still must pay these fees.

2. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on 2/28/05, attorney David Mundt requested an extension of time for two (one month previously paid) MONTH(S) and authorized the Director to charge Deposit Account No. 50-1039 the required fee of \$165 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 1, line 11, --main-- has been inserted before "cylinder";
and line 14, --movable-- has been inserted after "said".

In claim 9, line 11, a comma has been inserted after "retracting";
line 13, --main-- has been inserted before "cylinder";
line 14, --push-- has been inserted before "assembly";

and line 15, --movable-- has been inserted after "said".

In claim 18, line 2, --push-- has been inserted before "assembly".

Claim 19 has been canceled.
